

INT. APARTMENT BUILDING BASEMENT. SONNY'S CLUBHOUSE

There are old boxes, junk, some old furniture and stuff.

FRANKIE BOY

Needs some work, but we could do a lot down here.

SONNY

My Dad said if we get it cleaned up, he'd help me setup a hangout.

VINNY

Yeah, put up some pictures, a few more lights, a plant. Dust. It wouldn't be half bad.

FRANKIE BOY

What the fuck are you talking about? All we need is a couple of couches, some booze and some girls.

A giant ball of dust falls on FRANKIE.

FRANKIE BOY (CONT'D)

(Nearly jumping out of his shoes)
Ok, we dust the place! But no fucking plants.

VINNY

Hey guys look what I found in this old box. (Reading the name of the item in the box) Massage-O-Matic. What is this thing? (Tosses it to Sonny)

SONNY

Looks like a vibrator. From the 50's!

VINNY

There's a whole case of them here.

FRANKIE BOY

Check out the lady on the box, she's rubbing the dildo on her forehead!

SONNY

I wonder if they still work?

FRANKIE BOY

VINNY, bring one to your mom and ask her if it works.

VINNY

Shut up! How about you see if it works on your balls?

FRANKIE BOY

Maybe I'll ask your mom to do it for me.

SONNY

Vinny, why wouldn't you say see if it works in your ass?

VINNY

Yeah Frankie, try it in your ass.

FRANKIE BOY

Good one. Your mom.

SONNY

I bet we could sell these things. And make a few bucks to fix up the clubhouse.

FRANKIE BOY

Now you're using your head.

SONNY

No, she's using her head. (Reveals picture of lady on box with vibrator on her head)
